

## ONLINE GRIEVANCE REDRESSAL CELL

The College has a committee for redressal of Grievances for providing safe and secure environment in the college for the faculty, staff and students, to enhance understanding of issues related to the staff members and students.

With an aim of creating awareness about their rights and duties, the cell organizes and participates in seminars, talks. It also provides a platform for the staff members and students to share their experiences and views regarding their status in the society and to suggest possible ways to improve and empower themselves. Aiming at intellectual and social upliftment of the above, the cell stands for facilitating the staff members and students empowerment through guest lectures, seminars and awareness programmes, life-skill training programmes and welfare activities.
